Dear Board of Directors,

We have compiled the accompanying Profit & Loss statement of Fiesta HOA as of March 31, 2018 and the related Balance Sheet for the year then ended in accordance with standards established by the American Institute of Certified Public Accountants. The financial statements have been prepared on the Cash Basis of accounting, which is a comprehensive basis of accounting other than Generally Accepted Accounting Principles.

A compilation is limited to presenting in the form of financial statements and supplementary schedules information that is the representation of management. We have not audited or reviewed the accompanying financial statements and supplementary schedule and, accordingly, do not express an opinion or any other form of assurance on them.

Management has elected to omit substantially all of the disclosures required by generally accepted accounting principles. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Company's financial position, results of operations, and its cash flows. Accordingly, these financial statements are not designed for those who are not informed about such matters.
